### CACI ULTIMATE ANTI-AGEING FACIAL

The CACI Ultimate is an effective non surgical treatment method to redefine facial contours, plump out deep lines and wrinkles as well as tackle a range of skin imperfections. It is the very first treatment system to combine Micro-current facial toning, crystal free Microdermabrasion and LED photo rejuvenation.

### CACI CRYSTAL FREE MICRODERMABRASION

This revolutionary system removes the outermost surface of the skin by using super fine particles directly onto the face. Crystal Free Microderm is recommended once a week for 6 weeks.

Please allow 15 minutes consultation time prior to starting your course.
